FOR THE WHOLE COMMUNITY

Luigi Zanotto

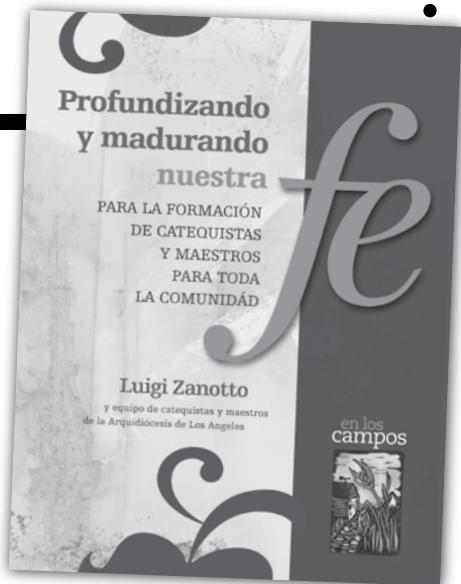

*and a team of catechists and teachers
of the archdiocese of Los Angeles*

Profundizando y madurando nuestra fe presents a comprehensive training course for catechists. It focuses on the theological foundations of the Catholic faith, and offers sound guidance for increasing the spirituality of those who teach religion.

The book is divided into five main sections:

- 1] The Creed
- 2] The Life of Christ
- 3] The Bible and Tradition
- 4] Sacraments and Sacramentality
- 5] Pastoral Action in the Christian Community

Profundizando y madurando nuestra fe is an excellent resource for new catechists and teachers, as well as for those

who have been teaching for some time. It has been used in the Archdiocese of Los Angeles for many years, and was written especially for the Hispanic Catholic community.
